

DAILY LIFE THROUGH HISTORY

Exploring the daily lives of ordinary people through time, *Daily Life through History* offers a fresh approach to core curriculum topics and engages students' interest across multiple dimensions of history and culture.

CONTENT HIGHLIGHTS

- Expansive coverage of human societies across space and time, from Indigenous North America to medieval Africa, 20th century Europe, and modern China
- More than 5,000 primary source records including images, artifacts, and cultural documents, illustrating multiple dimensions of daily life and culture
- Student activities probing key questions about the structure and features of human societies, such as the rise of West African trading empires, medieval reactions to the Black Death, and the impacts of China's one-child policy
- In-depth explorations of cultural subtopics including work, food, clothing, sports, language, literature, education, gender roles, social customs, and more

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Academic skill-building modules support students' core academic development in reading, writing, researching, and working with primary sources
