Applied Science & Technology Source

Researching STEM breakthroughs and developments? **Find them in here.**

Ask your librarian for details on accessing **Applied Science & Technology Source**.

Covered subjects:

- Acoustics & Sound
- Aerospace Science
- Algorithms
- Artificial Intelligence
- Automation
- Computer Networks & Networking
- Computer Science

- Computer Simulation
- Data Mining
- Data Security
- Decision Science
- Engineering
- Human-computer Interaction
- Information Systems

- Information Technology
- Logic
- Manufacturing & Machinery
- Software Engineering
- Telecommunication
- Virtual Reality
