

Primary Online Package

The most complete collection of full-text reference resources for elementary schools

Help students and educators achieve success with EBSCO's Primary Online Package. Available via EBSCOhost and Explora, the EBSCO research experience for schools, these four databases are designed to support student learning and classroom instruction.

For Students

Primary Search

This database contains full text for more than 100 popular children's magazines, including *Cricket*, *Cobblestone*, *TIME for Kids* and *Highlights*. Students can learn about a variety of topics such as endangered species, fitness, space exploration and more. The database also includes reference books and easy-to-read encyclopedic entries written specifically for kids.

Newspaper Source

Newspapers contain excellent primary and secondary source content. Newspaper Source provides full text for more than 520 newspapers from around the globe. In addition, complete television and radio news transcripts are provided by CBS News, CNN, CNN International, FOX News and more.

For Educators

ERIC

The Education Resource Information Center (ERIC) is an authoritative database of indexed and full-text education literature and resources. The database contains more than 1.9 million records, links to more than 480,000 full-text documents and an education-specific thesaurus with more than 12,000 terms.

Professional Development Collection

This highly specialized collection is designed for educators, professional librarians and education researchers. It includes indexing and abstracts for more than 750 journals, more than 450 full-text journals and more than 225 educational reports.
