

Social Work Reference Center™

Supplying social workers and mental health professionals with the specialty evidence they need to provide exceptional care.

Social Work Reference Center™ is a turnkey information resource for social workers and mental health professionals. Created by a multi-specialty editorial team, *Social Work Reference Center* covers a wide array of topics such as adolescent health, aging, end-of-life care, clinical social work and diversity. Content is organized in a way that makes it easy for users to get answers to questions quickly and easily.

Social Work Reference Center is created by a respected editorial faculty that builds content using a strict evidence-based editorial policy focused on systematic identification, evaluation and consolidation of the most current clinical research.

Our goal is to support social workers and mental health professionals in their decision-making process by providing objective and unbiased information so they can make the best decisions for their patients.

Content Includes:

- Evidence-Based Quick Lessons & Care Sheets
- Clinical Assessment Tools
- Continuing Education Modules
- Patient Education Handouts
- Personalized Folders
- Drug Information
